

We Have All The Time In The World

Michael Ball

We have all, the time in the world
Time enough for life
To unfold
All the precious things
Love has in store We have all the love in the world
If that's all we have
You will find
We need nothing more Every step of the way
Will find us
With the cares of the world
Far behind us We have all the time in the world
Just for love
Nothing more
Nothing less
Only love Every step of the way
Will find us
With the cares of the world
Far behind us
Yes We have all the time in the world
Just for love
Nothing more
Nothing less
Only love Only love
