Somewhere In Time

London Philharmonic Orchestra

Somewhere in time
I will swear you'll be mine
And 'll love you, love you trueIf you won't, I won't tell
Even though we've been through hell
In my heart, I will love you forever, baby
But we know it just can't be now
So baby farewellThis thing is bigger than both of us
And baby believe it becauseSomewhere in time
I will swear you'll be mine
And I'll love you
Somewhere in time
There's no reason no rhyme
But I'll love youBaby, there's no way of knowing
But baby your feelings are showingSomewhere in time
I will swear you'll be mine
'Cos I love you, love you trueIt's right that they don't know
And it's only right, only right that I should go
But if you'll wait, I'll wait too
I'll wait all my life
All my life and more for youThis thing is bigger than both of us
And baby believe it becauseSomewhere in time
I will swear you'll be mine
'Cos I love you, love you trueThere will be better days
But for now let's just say goodbye
So hold on to me just one last time
Hold on to me and baby, baby
You've got to believeSomewhere in time
I will swear you'll be mine
And I'll love you
Somewhere in time
There's no reason no rhyme
But I'll love youSomewhere in time
I will swear you'll be mine
And I'll love you
Somewhere in time
There's no reason no rhyme
But I'll love youBaby, there's no way of knowing
But baby your feelings are showingSomewhere in time
I will swear you'll be mine

Cos' I love you, love you true
