All Mine

Portishead

All the stars may shine a-bright
All the clouds may be white
But when you smile
Oh how I feel so good that I can hardly waitTo hold you, enfold you
Never enough
Render your heart to meAll mine you have to beFrom that cloud, number nine
Danger starts the sharp incline
And such sad regrets
Oh as those starry skies as they swiftly fallMake no mistake, you shan't escape
Tethered and tied
There's nowhere to hide from meAll mine you have to beSo don't resist, we shall exist
Until the day
Until the day, I dieAll mine you have to be
