

All Mine

Portishead

All the stars may shine a-bright

All the clouds may be white

But when you smile

Oh how I feel so good that I can hardly waitTo hold you, enfold you

Never enough

Render your heart to meAll mine you have to beFrom that cloud, number nine

Danger starts the sharp incline

And such sad regrets

Oh as those starry skies as they swiftly fallMake no mistake, you shan't escape

Tethered and tied

There's nowhere to hide from meAll mine you have to beSo don't resist, we shall exist

Until the day

Until the day, I dieAll mine you have to be
