

# Never Underestimate a Girl

Vanessa Hudgens

Oh, oh, oh, yeah

It takes a girl to understand  
Just how to win, she knows she can  
I think it's fair who wears the pants  
What boy could stand a chance?

She makes it look easy (Ohh)  
In control completely  
She'll get the best of you every single time  
Thought by now, you realize you should...

[Chorus]

Never underestimate a girl  
Gets anything she wants  
She's never gonna stop  
(you know it, we know it)  
Never underestimate a girl  
She's always got a plan  
The world is in her hands

She's got the lipstick, puts it together  
Boys have it good, but girls got it better (watch out!)  
Your secretary might end up your boss  
Whether you really like it (haha) or not

She makes it look easy (Ohh)  
In control completely  
She'll get the best of you every single time (that's right)  
No, no, no, no, no, no you should...

[Chorus}

She might be president  
Make all the rules  
Don't try to win the game  
You're only gonna lose  
Now girls you know we got it  
Got it goin' on  
We've been tryin' to tell them all along

Listen up guys, take a little sound advice, uh

That's right  
Hey, come on now  
Oh, oh, oh that's right

No, no, you should...

[Chorus 2x]
