Loser Of The Year

Simple Plan

There's a lot of talk about me
People lining up to meet me
I'm on the verge of celebrity
So what you think about that
I've got friends in hot places
Louis Vuitton siutcases
Look at all the pretty faces
So what you think about that
So why do I feel like it's all just a show
You make me want to shut it all down
Blow it away
Cause I'm nothing if I don't have you
What's the point in being on top
All the money in the world
If I can't blow it all on you
So send the cars back
Put the house on the market
And my big dreams too
Cause it's all so clear
That without you here
I'm the loser of the year
I'm not a party in a mansion
There's a lot of high fashion
And I'm cooler that I've ever been
So what you think about that
I'm living life in the fast lane
I've got a fridge full of champagne
And I'm hanginng out with little Wane
So what you think about that
So why do I feel like it's all just a show
You make me want to shut it all down
Blow it away
Cause I'm nothing if I don't have you
What's the point in beinng on top
All the money in the world
If I can't blow it all on you
So send the cars back

Put the house on the market

And my big dreams too
Cause it's all so clear
That without you here
I'm the loser of the year
(loser, loser)
I'm the loser of the year
(loser, loser)
I can try real hard
I can try to pretend
But all these dreams make any sense
without you
But that just ain't true
I thought these things will make me forget
about you and me
But you're stuck in my head
I'm a loser if i lose her
You make me want to shut it all down
Blow it away
Cause I'm nothing if I don't have you
What's the point in being on top
All the money in the world
If I can't blow it all on you
You make me want to shut it all down
Blow it away
If i don't have you
So send the cars back
Put the house on the market
And my big dreams too
Cause it's all so clear
That I need you near
Yeah it's all so clear
That without you here
I'm the loser of the year
loser of the year
I'm the loser of the year
loser of the year
