A Certain Kind (Yovav Edit)

Soft Machine

A certain kind, of love, I'd say
Exists for me, and every night
Your kind of love sets me alight
And I know it's real, it's what I feel, what I feelAnd loving you the way I do
Makes everything seem right again
And when you're near I know
I know you just can't tell the time
When you, it's just not rightAnd so our love I see in you
The things today, the things we do
And when you're near I know
You just can't see, well
I know it's real, it's what I feelAnd loving you the way I do
Makes everything seem right again
And when you're near I know
I know you just can't see
All the time of day
I know you're mine, and all the time
