

# She's a Good 'Un

Otis Rush

Chorus:

My Baby, She's a good'un

My Baby, She's a good'un

My Baby She's a good'un sweet as she can beShe's a man's pet

She's a women's fret

A lot of good things they aint found out yet

I hate to brag but she can't be beat

She's a drippin' honey she's a Georgia peachChorus

SoloYou know the mens love her 'cause she's so sweet

The womens love her 'cause she can't be beat

The children love her 'cause she's so kind

I'm crazy 'bout my baby 'cause I know she's mine
