

Goodbye to Romance (2010 Guitar & Vocal Mix)

Ozzy Osbourne

Yeasterday has been and gone
Tomorrow will I find the sun or will it rain
Everybody's having fun except me I'm the lonely one
I live in shame I said hey goodbye to romance yeah
Goodbye to friends and to you
Goodbye to all the past
I guess we'll meet, we'll meet in the end I've been the king, I've been the clown
Now broken wings can't hold me down
I'm free again
The jester with a broken crown
It won't be me this time around to love in vain I said hey goodbye to romance yeah
Goodbye to friends and to you
Goodbye to all the past
I guess we'll meet, we'll meet in the end And I feel the time is right
Although I know That you just might say to me
What ya gonna do
What ya gonna do
But I have to take this chance
Goodbye to friends and true romance
And to all of you and to all of you Come on now
I said goodbye to romance yeah
Goodbye to friends and to you
Goodbye to all the past
I guess we'll meet, we'll meet in the end And the weather's lookin' fine and I think the sun will shine again
And I feel I've cleared my mind all the past is left behind again I said goodbye to romance
Goodbye to friends and to you
Goodbye to all the past
I guess we'll meet, we'll meet in the end
