The End Of The World Party

I See Stars

Bring me the dawn of the deadWelcome to the end of the world party
Your first move might be your last
This is the night we all leave it behind
Goodbye for the last timeYou can tell this is an un average rage
Not where I thought I'd be
Eighteen living the dreamWelcome to the end of the world party
Your first move might be your last
This is the night we all leave it behind
Goodbye for the last timeWe feel so small watching the ball drop,
You wanna dance it's your last chance baby
We feel so small watching the ball drop,
You wanna dance it's your last chance babyWelcome to the end of the world party
Your first move might be your last
This is the night we all leave it behind
Goodbye for the last timeWill you be invited, your front row seats at the end of the world
The end is near, we start to spin taking our last round
Bring me the dawn if the dead
