

This is Not (Mephisto Odyssey's Saftey Off Mix)

Static-X

Lines and the light stream
Screaming by the scream
 Burning down
Not me you see me suffer
 Haunted by your spirit
 Undead by your spit
Taunted by yourself alive
Dazed and burning state
Hazed and spinning fate
 Dazed and Burning
 I say I can't come
 You say this ain't home
Hating this I mouth your name This is not my life
 This is not my home
 This is not me
I Hate this Your voice in my mind
 Come home it ain't time
 Burned down
Not me you see me suffer
 Solace to inspire
 Lowness to my fire
Taunted by yourself alive Dazed and burning state
Hazed and spinning fate
 Dazed and burning
 I say I can't come
 You say this ain't home
Hating this I mouth your name
