Open the Gates (Live 2003)

Dark Funeral

(Music & Lyrics by Lord Ahriman & Blackmoon)
Oh, mighty lord of the evil realm
Open the gates to your dominion
Save me from this holy light
That makes me suffer like a pig
Satan lead me to your throne
And make me one with hell
I kneel before you dark lord
And swear the unholy oath
Unholy master Satan - make my wish come true
Open wide your kingdom - where all the evil rule
Lord of hell possess my soul
With thousand mad and insane demons
Lock up, the seven gates
And bring out your infernal legions
Lucifer - lead me to your throne
Satan - bless my damned soul
Belial - baptize me in blood
Leviathan - take me to the depths
Open the gates - Satan
Open the gates - Satan
Open the gates - Satan
Open the gates - Satan
Master-cast your spell on earth
Curse the waek disciples, their holy soul must burn
Lord of fire - consume the holy lord
Your black flame of damnation shall purify the world
Lucifer - let the cursed soul burn
Satan - make fire consume the world
Belial - sacrifice thy holy blood
Leviathan - show their lord your wrath
Open the gates - Satan
Open the gates - Satan
Open the gates - Satan
Open the gates - Satan
