

# Nakhre

## Zack Knight

I know what you thinking  
And i don't blame you  
Everybody tryna get your attention  
Yeah yeah you got game but girl i wonder  
What it takes for us to get under the covers You've got a body that i'm dying to discover  
There's an aura that is pulling me in  
Ainve nakhre na kar mere naal ne  
Drop the front you ain't gotta pretend  
No no o...

Cause you know whats on my mind Mere dil de gaali de vich aaja  
Ainve mundeya de piche tu na ja  
Ainve nakhre na kar mere naal ve soniye  
Mere dil de gali de vich aaja  
Ainve mundiya de piche tu na ja  
Ainve nakhre na kar mere nal ve kudiye  
Oh kudiye kudiye nakhre na kar mere naal  
Oh soniye oh kudiye kudiye  
Nakhre na kar mere naal Who you came here with forget about him  
What youre searching for is on the way  
Dont say a word go missing  
Show me things your lips cant explain You've got a body that im dying to discover  
There's an aura that is pulling me in  
Ainve nakhre na kar mere naal ne  
Drop the front you ain't gotta pretend  
No no o... Don't play around with me baby  
I don't bite

But girl whats really on my mind Mere dil de gaali de vich aaja  
Ainve mundiya de piche tu na ja  
Ainve nakhre na kar mere naal ve soniye  
Mere dil de gali de vich aaja  
Ainve mundiya de piche tu na ja  
Ainve nakhre na kar mere nal ve kudiye  
Oh kudiye kudiye nakhre na kar mere naal  
Oh soniye oh kudiye kudiye  
Nakhre na kar mere naal  
Oh kudiye kudiye nakhre na kar mere naal  
Ohhh yeah oh kudiye woahhh  
Na na na Quit playin around with me baby  
Ah with me baby na na o...

Quit playin around now...Credits
