Vowels = Space And Time

Grimes

Speak it all the time, Speak it all the time
And I know that I tell you but boy its mine
I dont know what it is and that it, its fine
It's hardly any other it can borrow inside
Think it all the time think it all the time
And I know that I tell you but boy its mine
I dont know what it is and that it its fine
It's hardly any other it can borrow inside
Being myself makes me feel like I can't touch the ground (ah ah)
Here on the earth makes me feel like I can't get the sound
Being myself makes me feel like I know who you are (mmm)
Cause boy you can be what the words who you are what you are

I dont want to let you go
Ohhh, boy you need to know
Oh, You could be a better friend
Cause I could be a better man
Sometimes you know that I wonder why (up and down up and down)
I don't wanna dream but boy I'm lying upsidedown (oh whoaa)
Being myself makes me feel like I dont know the trees (mmm)
Cause boy you can be what you, what you want to be (Yeah)
Ohh, I dont want to let you go
Ohh, you're tying me low
Ohh, You could be a better friend
Ohh and I could be a better man
