

# Aint Got Time For Gamez

## Three 6 Mafia

I ain't got time for gamez  
Fuck these niggaz, I'ma pop that thang  
And if they want drama they can get that man  
A nigga like me I'm wit it man, I'm wit it I ain't got time for gamez  
Fuck these niggaz, I'ma pop that thang  
And if they want drama they can get that man  
A nigga like me I'm wit it man, I'm wit it Bitches simple and plain  
Your messin' with me and I'm a grown man  
I keep a pistol on me, don't think I'm playin'  
This hard hittin' nigga lemme hear ya'll sang I coulda been a nigga out slanging Cain  
But instead nigga I was bangin' the thang  
'Cause hardin' heat make a nigga quit that playin'  
It ain't no shame in my goddamn thang I'm just an all nigga trying to do my thang  
You get in my way and I'll make ya'll faint  
Run your ass over like I was a train  
You talkin' ass bitches don't say my name And if you same my name then you got fame  
Rap this shit before doin' every thang  
And blanked on your ass like I was to blame  
The next time ya see me hit ya boy with a chain  
You hit ya boy with a chain I ain't got time for gamez  
Fuck these niggaz, I'ma pop that thang  
And if they want drama they can get that man  
A nigga like me I'm wit it man, I'm wit it I ain't got time for gamez  
Fuck these niggaz, I'ma pop that thang  
And if they want drama they can get that man  
A nigga like me I'm wit it man, I'm wit it I dedicate this to you fake niggaz  
Supposed to be's who do some fake shit  
See you in the street and they hug you like on some gay shit  
Man we be so cool when I see you, you share my fame  
When I ain't around its like Bush versus Saddam Hussein Niggaz hate you for the smallest events  
I got niggaz mad at me 'cause I ain't signed 'em recording contracts  
Nigga you can shut the fuck or you can get shot the fuck up  
Playa I don't know you when I owe you better double up Fed up with this, bitches fuck with this, they press they  
luck with this  
I'm tough with this, party grip and 50 callin' up your shit  
People love to shake hands, hug, squeeze with tight grips  
But little do they you when I touch em I see they life's trip All the back stabbin' and jabbin' and double crossin'  
Quit telling me that you love me nigga when you see me keep on walkin'  
I got enough enemies man as it is now

So I don't need a posin' friend that's leadin' me now, bitch  
They sent the gang unit out 'cause there was trouble  
at the club

Knowin' gang signs throwing up 'cause they don't give a fuck

Why even work a 9 to 5 when you can sell dope and rob

80 percent of the fuckin' club ain't no nigga got no job  
That's why we here gettin' buck, gettin' crunk, gettin'  
wild

Representin' our neighborhood I say God bless the child

If he can open up his eyes and realize it ain't shit

That we run the fuckin' hood but the gun is still ours man  
I ain't got time for gamez

Fuck these niggaz, I'ma pop that thang

And if they want drama they can get that man

A nigga like me I'm wit it man, I'm wit it  
I ain't got time for gamez

Fuck these niggaz, I'ma pop that thang

And if they want drama they can get that man

A nigga like me I'm wit it man, I'm wit it
