

I Was Made To Love Him

Chaka Khan

I was born in Little Rock, I had a childhood sweetheart
We were always hand in hand
He wore high top shoes and shirt tails
Chaka wore her pigtails I knew I loved him even then
Well, you know my papa disapproved
My mama, boo hoo hooed
But I told 'em time and time again
Don't you know
I was made to love him
Build my world all around him
Yeah, yeah, yeah
He's been my inspiration and shows appreciation
For the love I gave him through the years
Like a sweet magnolia tree my love blossoms tenderly
My life grew sweeter through the years, I know that
My baby loves me, my baby needs me
That's why we've made it through the years
I was made to love him
Build my world all around him
Yeah, yeah, yeah
All through thick and thin
My love just won't end
'Cause my I love my baby
Love my baby, oh
My baby loves me, my baby needs me
That's why we've made it through the years
When I was knee high to a chicken
The love bug bit me
And I'm still, still in love
If the distant mountain crumble
Love won't tumble
I'll still be standin' there
Can't go nowhere
I'm on fire
