

# Leave Me Alone

## One Way System

Miss a minute, miss an hour  
Miss the meeting full of power  
Miss the lines of constant depression  
Catch my eye, witness my aggression  
Leave me alone, leave me alone, leave me alone!  
Leave me alone, leave me alone, leave me alone!  
Leave me alone, leave me alone!  
Not for you, not for me  
Save me the humility  
Knot the tie, time to fill  
Meet you there, not until  
Leave me alone, leave me alone, leave me alone!  
Leave me alone, leave me alone, leave me alone!  
Leave me alone, leave me alone!  
Yes to this, yes to that  
Yes it's time to sit back  
Three time ten down the line  
Fuck you, I'm doing fine  
Leave me alone, leave me alone, leave me alone!  
Leave me alone, leave me alone, leave me alone!  
Leave me alone, leave me alone!  
Fuck off!!!(Satanic shit)
