

Desert Song (Turbotito Remix by Filip Nicolic)

Edward Sharpe & The Magnetic Zeros

I was born, the devil's son
Yes my dad, he gave my name
Now my mama keeps saying Run to the desert
You will see be all that you need to be
Run to the desert
You will see all that you need to see I woke up to the shadow of a man standing over me
Here in the land of frozen hands
I came out here to kill you father like a Sergio Leoni picture
Gee I hope you understand
And as the red soaked the sand Run to the desert
You will see all that you need to see
Run to the desert
You will be all that you need to be
