

Neighsayer

Lukas Nelson & Promise of the Real

I don't wanna change you
I don't wanna make you different
I'm happy with the way it is
And the way it isn't We fit like puzzle pieces
In a perfect way
Don't go seeing raindrops
On a sunny day Oh I don't believe
That my world isn't real
I wouldn't take you from yours
I just wanna find me
Some magic somehow
Oh don't be a neighsayer now
I wish you saw yourself
The way I've always seen you
You're so much stronger now
For all you've been through I don't believe
That my world isn't real
And I wouldn't take you from yours
I just wanna find me
Some magic somehow
Oh don't be a neighsayer now Together is better
You're my best friend forever
Together
Whatever
May come my way
I say that
I don't believe
That my world isn't real
And I wouldn't take you from yours
I just wanna find me
Some magic somehow
