

Pizza Guy

Touch Sensitive

Pizza guy, oh pizza guy,
Did I hurt your feelings pizza guy?
Pizza guy, oh pizza guy,
I'm sorry pizza guy

It was a sunny day
In April, June, or maybe May,
Woah oh, October or July.

We were walking down the street
And looking for a bite to eat
And that's when you caught my eye.

From then on my life has changed
Flipped upside down and a rearranged
All because you drove by
I'm sorry pizza guy
