

# Ur So Gay (Remix)

Katy Perry

I hope you hang yourself with your H&M scarf  
While jacking off listening to Mozart  
You bitch and moan about LA  
Wishing you were in the rain reading Hemingway  
You don't eat meat  
And drive electrical cars  
You're so indie rock it's almost an art  
You need SPF 45 just to stay alive  
You're so gay and you don't even like boys  
No you don't even like  
No you don't even like  
No you don't even like boys  
You're so gay and you don't even like boys  
No you don't even like  
No you don't even like  
No you don't even like  
You're so sad maybe you should buy a happy meal  
You're so skinny you should really Super Size the deal  
Secretly you're so amused  
That nobody understands you  
I'm so mean cause I cannot get you outta' your head  
I'm so angry cause you'd rather MySpace instead  
I can't believe I fell in love with someone that wears more makeup than  
You're so gay and you don't even like  
boys  
No you don't even like  
No you don't even like  
No you don't even like boys  
You're so gay and you don't even like boys  
No you don't even like  
No you don't even like  
No you don't even like  
You walk around like you're oh so debonair  
You pull 'em down and there's really nothing there  
I wish you would just be real with me  
You're so gay and you don't even like boys  
No you don't even like  
No you don't even like  
No you don't even like boys  
You're so gay and you don't even like boys  
No you don't even like  
No you don't even like  
No you don't even like  
Oh no no no no no no  
You're so gay and you don't even like boys  
No you don't even like

No you don't even like  
No you don't even like boys  
You're so gay and you don't even like boys  
No you don't even like  
No you don't even like  
No you don't even like
