

# Sunrise Ends

## Stars of Track and Field

We're passing time through the great beyond  
Give me some air, something I can count on  
'Cuz it's getting late and my blood is thin  
And I'd swim from here to see you at ease again  
You don't have to believe me  
I'm not saying it will be easy  
She never had words with her friends  
She just stayed until sunrise ends  
A myriad of color shines  
Your a rhythm that no one can unwind  
So come on, come out wherever  
You have gone for the winter  
You don't have to believe me  
I'm not saying it will be easy  
She never had words with her friends  
She just stayed until sunrise ends  
You don't have to believe me  
I'm not saying it will be easy  
(Until sunrise ends)  
She never had words with her friends  
She just stayed until sunrise ends
