Dreamin' on

D-51

I don't know but I've been told
There's a place where dreams are bought and sold
I'd like to steal me a dream with you
Together we can sail the oceans blue
Do you feel like I do? Don't get me wrongBut I need your love
And I feel like dreamin' on
But I wake to find you goneHope you like the things I say
I look forward to the day
When I can take you into my life
One day you just might say you'll be my wife
And I don't want to push
I don't want to rush youBut I need your love
And I feel like dreamin' on
But I wake to find you gone
And I feel like dreamin'Throw this caution to the wind
Be my lover, be my friend
If it goes wrong we'll start anew
What else are we going to do?And I feel like dreamin' on
But I wake to find you gone
And I feel like dreamin' on
But I wake to find you gone
And I feel like dreamin' on
