

Sleeperhead

Beach Baby

wish i was a sleeperhead
i'd be well rested and i'd be well fed
i'd do my work and then i'd go to bed
i wish i was a sleeperhead
money in the bank and a steady hand
a shiny car and a wedding dance
(inaudible) stole my baby
she said
honey you've been working too hard lately
i (ooh ooh)
i get no rest (ooh ooh)
i get no life (ooh ooh)
i get no rest (ooh ooh)
feeling dizzy
when i'm not with you
i don't tell you (?)
you just don't approve
call you sweetheart
but you just see straight through, you just see straight through
instrumental
i'm up all night chewing on bones
don't it make you feel alone
i sweat all day for my daily bread
wish i was a sleeperhead
i
i get no rest
i get no life
i get no rest
well
well i guess
well i guess
it's for the best
feeling dizzy
when i'm not with you???
but you just don't approve
call you sweetheart
but you just see straight through, you just see straight through
