

# I Don't Think So

Kelis

You think you might have a chance  
I don't think so  
You telling me to be nice  
I don't think so  
You wanna get in my pants  
I don't think so  
I don't think so  
I don't think so  
You think you might have a chance  
I don't think so  
You telling me to be nice  
I don't think so  
You wanna get in my pants  
I don't think so  
I don't think so  
I don't think so  
I can see it in your eyes  
You talk to me like I'm your prize  
But I don't want you in my life, alright?  
And I think you know that I know what I really need  
And trust me, you're not at my speed  
But I don't want you in my life, alright?  
You should know by now that  
You think you might have a chance  
I don't think so  
You telling me to be nice  
I don't think so  
You wanna get in my pants  
I don't think so  
I don't think so  
I don't think so  
You think you might have a chance  
I don't think so  
You telling me to be nice  
I don't think so  
You wanna get in my pants  
I don't think so  
I don't think so  
I don't think so  
You can try  
You can lie till you die  
You and I?  
No, no, I don't think so  
Sorry you don't have a clue  
And I don't have the time for you

Got my eye on someone else tonight  
And I think you know that I'm the only force on me  
But you keep living make believe  
Got my eye on someone else tonight  
You should know by now that You think you might have a chance  
I don't think so  
You telling me to be nice  
I don't think so  
You wanna get in my pants  
I don't think so  
I don't think so  
I don't think so You think you might have a chance  
I don't think so  
You telling me to be nice  
I don't think so  
You wanna get in my pants  
I don't think so  
I don't think so  
I don't think so You can try  
You can lie till you die  
You and I?  
No, no, I don't think so
