The Battle Of J. Casey

Divine Heresy

I've been falling for so long now
Forgotten what the ground feels like
I try so hard to be strong
But life seems so far away
Can I find a way through this
Or did I lose the strength to hold on?
To hold onAs the bright lights of success fade
And the spark of glory dies
I look to the shadows of failure
To understand the reasons why
I can't reach out for what's goneWaking dreams haunt me
Backwards thoughts betray
Illusions of what was cloud my mind
I can't keep the demons away
Impossible to move forward
'Cause I, I'm chained to yesterdayMy visions keep me prisoner
Harsh memories make me bleed
I must find the strength to see beyond the sun
To find that which belongs to me
That which makes me stronger
That which makes me stronger
