

Bloodshed In Africa

Alpha Blondy

Bloodshed in Africa
Bloodshed in Africa
What a shame, what a shame
It's a bloody shame oh yeah!

It's a mighty shame oh Lord!
See babylonians are coming around
And messing around
With my people's mind

I can't stand it
No I won't bear it
See Babylone you bound to fall
You bound to fall

You bound to burn down
Babylone you bound to fall
You bound to fall
You bound to melt to the ground

Bloodshed in Africa
Bloodshed in Africa
What a shame, what a shame
It's a bloody shame oh yeah!

It's a mighty shame oh Lord!
See babylonians are coming around
And messing around
With Jah people's mind

I can't stand it
No I won't bear it
See Babylone you bound to fall
You bound to fall

You bound to burn to the ground
Babylone you bound to fall
You bound to fall
You bound to melt to the ground

Bloodshed in Angola
Bloodshed in Namibia
Bloodshed down in Tchad
Bloodshed in Ethiopia

Upheaval, upheaval
Worshiping Evil
Worshiping Evil
Worshiping Evil
