Everywhere I Go

Katharine McPhee

Its funny how you think you really know yourself
Like you would never lose yourself to someone else
And I was up to thinking
It was all about you and me, silly, silly meI should have never listened to a word you said
But I was always giving in to promises
I never should have gone for
I should never long for you no matter how hard it getsAnd I want this to be over, I so want this to be through
In the end somehow it always comes back to you'Cause everywhere I go, no matter what I do boy
I just cant get you out of my head
So it annoys me, you wasnt man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didnt love me anymoreIf you had only told me how you really felt
I could have put my feelings into someone else
But I was busy thinking
I was where I was supposed to be, silly, silly meBut there was something bout you I couldnt resist
Cant put my finger on it but whatever it is
I never should have stood for it
I know youre no good for me and thats the way it isAnd I want it to be over, I so want it to be through
In the end somehow it always comes back to you'Cause everywhere I go, no matter what I do boy
I just cant get you out of my head
So it annoys me, you wasnt man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didnt love me anymoreI tell myself, get over you, its over right, right thing to do
And just when I thought I was done, you pull me in for another run
I cant take this I wont take this, I cant do this, I wont do it
Even if I know in the end somehow it always comes back to you'Cause everywhere I go, no matter what I do boy
I just cant get you out of my head
So it annoys me, you wasnt man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didnt love me anymore'Cause everywhere I go, no matter what I do boy
I just cant get you out of my head
So it annoys me, you wasnt man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didnt love me anymore'Cause everywhere I go, no matter what I do boy

I just cant get you out of my head
So it annoys me, you wasnt man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
