

# The Clearing

David Crosby

Fear doesn't live inside the blind  
Let go  
And step into the clearing mind and soul  
This kind of love don't need a home  
This kind a heart beats all alone  
This kind of world, gonna let it go  
Lay down the things that came before  
Firelight creates families  
Believe  
Shadows become giants in the trees  
This kind of love don't need a home  
This kind a heart beats all alone  
This kind of world, gonna let it go  
Lay down the things that came before  
The sky is dark enough to swallow you  
A storm  
Violence the least of all it's forms  
This kind of love don't need a home  
This kind a heart beats all alone  
This kind of world, gonna let it go  
Lay down the things that came before
