

Stand by Me

Pennywise

When the night
Has come
And the land is dark
And the moon is the only light we'll see Well I won't be affraid
No I won't be affraid
Just as long as you stand, stand by me So darling, darling stand by me
Won't you stand by me
Just as long as you stand, stand by me When the sky that we look upon
Thumble and falls
And the mountains crumble to the sea I wont cry, I won't cry
No I won't shed a tear
Just as long as you stand by me So darling, darling stand by me
Oh won't you stand by me
Oh won't you stand, won't you stand, stand by me So darling, darling stand by me
Oh won't you stand by me
Oh won't you stand, won't you stand, stand by me When the night
Has come
And the land is dark
And the moon is the only light we'll see I wont cry, no I won't cry
No I won't shed a tear
Just as long as you fuckin stand by me So darling, darling stand by me
Oh won't you stand by me
Oh won't you stand, won't you stand, stand by me Darling, darling stand by me
Oh won't you stand by me
Oh won't you stand, won't you stand, stand by me
