When I Fall in Love

Lena Horne

Maybe I'm old fashioned, feeling as I do
Maybe I am living in the past
But when I meet the right one
I know that I'll be true
My first love will be the last

When I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it began
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart it will be completely
Or I'll never, never, never give my heart
And the moment I can feel that you feel that way too
Is when I give my heart to you

And the moment I can feel that you feel that way too
Is when I give my heart to you
