

Surprise

Gnarls Barkley

It's cool being the only one, but it's lonely
I could have fallen in the stove
A thousand times before if only someone had known me
They say there's someone for everyone
Oh plus the word will be never done
When all you need is to be meet half way but nobody tries
Don't be surprised
Don't be surprised
There are hills and mountains between us
Always something to get over
Needless to say it's a wonderful day
I just noticed how nice it was to know ya
Oh, but be ready to sacrifice
If you love him you should tell him twice
Because when everything that's alive
Ultimately dies oh, Lord
Don't be surprised
Don't be surprised
Somebody's watchin' maybe you want 'em to see you
But with your regrets and secrets
You don't really want them to be you
Well you can make believe I'm that
And for now I'll be just fine
But when the child grows up to have more than just your eyes
Don't be surprised
Don't be surprised
Now the ending to every story is most enchanting
Now whether it's heaven or hell I wear it well
Please forgive me for rambling I just wanted ya'll
To know that I don't know it all
So when that big o'l smile ends up being just a disguise
Don't be surprised
Don't be surprised
Oh, Lord
Don't be surprised
Oh, oh, Lord
Don't be surprised
I said don't be
Don't be surprised
There's nothing left in here
That's surprising baby prising baby
