

All My Life

[Rosie Thomas](#)

I've been waiting all my life
I've been waiting for you to come
I've been travelling and wandering
Alone on my own for too long
And I swear I tried to convince myself
It would be much easier being alone
But after running in circle after circle
I'm getting tired of being on my own I've been waiting all my life
I've been waiting for you to come
I've been travelling and wandering
Alone on my own for too long
And I wish I could have met your father
I would tell him how much I'm in love
And I swear I'd ask him question after question
Confessions about you growing up
And I thank God for blessing me
Well beyond what I could have thought
And reminding me of how good life can be
When you let yourself give into his love I've been waiting all my life
I've been waiting for you to come
