

Out of Touch

Oyinda

Place your hands upon me so I know that this is real

(Place your hands upon me)

Place your hands upon me so I know just how you feel(Place your hands upon me)Can't get over the feeling
that I'm out of touch

Can't get over the feeling that

(I wanna know if you feel it too)Place your hands upon me so I know that this is real wherever I go

(Place your hands upon me)

Place your hands upon me so I know just how you feel whenever I'm lone

(Place your hands upon me)When you think about me, do you find yourself wanting more?

When you think about me, do you find yourself wanting more?

I'm out of touch

Can't get over the feeling that I'm out of touch

I'm out of touch

Can't get over the feeling that I'm out of touch

I'm out of touch

I'm out of touch

I'm out of touch

Can't get over the feeling that I'm out of touch

I'm out of touch

Can't get over the feeling that I'm out of touch

I'm out of touch

Can't get over the feeling that I'm out of touch

I'm out of touch

I'm out of touch

I'm out of touch

Can't get over the feeling that I'm out of touch

I'm out of touch

(Touch)
