

# Because We Can

## Bon Jovi

I don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a stand  
Because we canShe's in the kitchen staring out the window  
So tired of living life in black & white  
Right now she's missing those technicolor kisses  
When it just ain't aliveLately feeling like a broken promise  
In the middle staring down this town  
There's only one thing in this world that she knows  
He said forever and he'll never let her downI don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a stand  
Because we canShe laid take out on the coffee table  
Prepped the dishes poured a glass of wine  
Turn down the sound and move a little closer  
Here for the moment everything is alrightI don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a standBecause we ca-an our love can move a mountain  
We ca-an if you believe in we  
We ca-an just wrap your arms around me  
We ca-an we ca-anI don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a standI don't wanna be another wave in the ocean  
I am a rock not just another grain of sand  
I wanna be the one you run to when you need a shoulder  
I ain't a soldier but I'm here to take a standBecause we ca-an our love can move a mountain  
We ca-an if you believe in we  
We ca-an just wrap your arms around me  
Because we ca-an, we canBecause we can
