

Tough Fuckin' Shit

G.G. Allin

Well last night I was drinking up and tripping too
Hanging out in every bar in the same old city street
Well fucking around with sluts and whores is nothing new
But don't fuck with us, 'cause we're gonna fuck with you
We're just slut's and living, like scumfuc alley trash
So if we piss you off that's just... TOUGH FUCKIN' SHIT!
Well I can't get a job and I'm ugly and I'm no good
Hey my shit stinks and Tammy's got big tits
Well the law is always on my ass, I'm on their list (Suck my dick!)
And I like to cut myself with broken glass
We're just sluts and living, like scumfuc alley trash
So if we piss you off that's just... TOUGH FUCKIN' SHIT!
Well I hate my family, they can all go suck my ass
Everyone hates my guts and wants to kill me
Well I'd just like to slit some throats and watch you die
My revenge is my reality, so don't fuck with me
'Cause we're just sluts and living, (Yea!) like scumfuc alley
trash
So if we piss you off that's just... TOUGH FUCKIN' SHIT!
