All Of Your Love

Hellogoodbye

Girl, you wanted
To shut it all off and make a run for the door
It's so hard to make it
For every inch we get we need a mile moreBut there is always so much distance can't but feel it somehow
But you have never ever felt it like you feel it right now
I'm closin' off inside and, oh, it's only just started
And you can't be close enough unless I'm feeling your heartbeatAll of your love
Was all that I needed
All of your love
Was all that I neededGirl, what are you doin now?
And are you going out? Or has your life shut down?
Are you there? This string keeps cutting out
I feel like freaking out but we keep reaching outBut there is always so much distance can't but feel it somehow
But you have never ever felt it like you feel it right now
I'm closin' off inside and, oh, it's only just started
And you can't be close enough unless I'm feeling your heartbeatAll of your love
Was all that I needed
All of your love
Was all that I neededGirl, it's hard enough
Just to move around
It's hard enough
Just to move aroundI wanted you, oh, I wanted you
Oh, I wanted you to move
Oh, I wanted you, girl, I wanted you to move
Around, aroundAll of your love
Was all that I needed
All of your love
Was all that I neededAll of your love
Was all that I needed
All of your love
Was all that I needed
