One Day

Fishbone

Waitin' for the one day
Are we waitin' for the one day?
Waitin' for the one day
We are waitin', waitin', waitin'
We are waitin' in restaurants over there
We are waitin' in cars somewhere over there
We are waitin' in bathrooms around here
We are waitin' in bars, then we are stayin' here
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Yeah, yeah
Waitin' for the one day
Are we waitin' for the one day?
Waitin' for the one day
We are waitin', waitin', waitin', waitin'
Waitin' in boot camps in the country somewhere
Waitin' in front of TVs in living rooms somewhere around here
Waitin' in Heaven somewhere up there
Waitin' in Hell somewhere down there
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, waitin' for, waitin' for
The time has come for
Revolution, masculination
[Incomprehensible], starvation
Excitation, femalization
The time is gone for

Desegregation, privatization
Arf, dammit
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, yeah, waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, yeah waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Yeah, yeah, waitin' for, waitin' for
Waitin' for the one day
Waitin' for the one day
Waitin' for the one day
Waitin' for the one day
Yeah, yeah
