

My Narrow Mind

16 Horsepower

Wicked, wicked
From the mouth I spout
Oh Lord, don't let these thoughts come out
My knees they knock and my feet they fail
The thoughts I think I see your face turn pale Take my hand and you will see
The one in the way back
Take my hand and you will be
The one atop the swayback Your word so pretty
Yes, I love that sound
My heart like a hammer does pound
My breath it leaves me to speak it
My legs they tremble to the ground Take my hand and you will see
The one in the way back
Take my hand and you will be
The one atop the swayback Wish I was a bible thumpin' fool
Ye from the old school
A mind as narrow as the road I walk
Always upright when I talk but Take my hand and you will see
The one in the way back
Take my hand and you will be
The one atop the swayback
