

Love Me Girl

Yeastayer

Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of? What is she covering up?
What is she lying about? Oh, oh
She's hesitating
And she's using slow words, I know
But if she's moving fast Why is this happening now?
Why does this happen to me all the time?
Don't give up on me
And I won't give up on you Squeeze me till I can't breathe
And let's just lie here in oblivion
I can't believe in one of us
I can't know how long this love will last So stay up in bed with me
Stay up and play with me
All day and night Don't give up on me
And I won't give up on you
I get to wait for the baby
Love me, girl Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of?
Nothing is wrong, what are you scared of? Squeeze me till I can't breathe
And let's just lie here in oblivion
I can't believe in one of us
I can't know how long this love will last So stay up in bed with me
Stay up and play with me
All day and night Don't give up on me
And I won't give up on you
I get to wait for the baby
Love me, girl, love me, girl
