

Sight for Sore Eyes

M People

Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Oh yeah, oh yeah, oh yeah, oh yeah
Another dollar, another day
Some old routine in my way
My eyes are achin', my body tired
I'm all strung up you know I feel so wired
And then you walk into the room
Time stops, everything drops, boom boom boom
Vision of love, Heaven's above
I feel your body like a velvet glove
Because You're a sight for sore eyes
As a matter of fact at the drop of a hat
You're my love surprise
So radical, so very chic
But without you I feel so weak
When lover boy comes into sight
I don't know why but it feels so right
Need energy, a vitamin shock?
No way for me, you're what I got
Don't need no drugs to make me high
I just need to look you baby right in the eye
Because You're a sight for sore eyes
As a matter of fact at the drop of a hat
You're my love surprise
Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Surprise me baby
Surprise me baby, yeah, yeah, yeah
Surprise me baby
Surprise me baby
You're a sight for sore eyes
As a matter of fact at the drop of a hat
You're my love surprise
You're a sight for sore eyes
As a matter of fact at the drop of a hat
You're my love surprise
Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Ain't love, ain't love, ain't love a surprise?
Oh yeah, oh yeah
