

Motherless Children

[Bob Dylan](#)

Motherless children run a hard road when your mother is dead
Motherless children run a hard road when your mother is dead
Motherless children run a hard road, a hard road, a hard road
Motherless children run a hard road when your mother is dead
Your father will do the best he can when your mother is dead
Your father will do the best he can, but he just does not understand
Motherless children run a hard road when your mother is dead
Now, there's some people say your sister might do when your mother is dead
Now, there's some people say your sister might do when your mother is dead
Some people say your sister will do; soon as she married, turn her back on you
Motherless children run a hard road when your mother is dead
You can dig my grave with a bloody spade when I'm dead
You can dig my grave with a bloody spade when I'm dead
You can dig my grave with a bloody spade; see that my digger gets well paid
Motherless children run a hard road when your mother is dead
Jesus won't be no mother to you when your mother is dead
Jesus won't be no mother to you when your mother is dead
Jesus won't be no mother to you; his trials and tribulations won't see you through
Motherless children run a hard road when your mother is dead
