Advisory - the following lyrics contain explicit language:

Bag lady you gone hurt your back  
Dragging all them bags like that  
I guess nobody ever told you  
All you must hold onto, is you, is you, is you One day all them bags gon' get in your way  
One day all them bags gon' get in your way  
I said one day all them bags gon' get in your way  
One day all them bags gon' get in your way, so pack light,  
Pack light, mm, pack light, pack light, oh ooh Bag lady you gon' miss your bus  
You can't hurry up, 'cause you got too much stuff  
When they see you coming, niggas take off running  
From you it's true, oh yes they do One day he gon' say you crowding my space  
One day he gon' say you crowding my space  
I said one day he gon' say you crowding my space  
One day he gon' say you crowding my space so, pack light  
Pack light, mm, pack light, pack light, ooh ooh Girl I know, sometimes it's hard and we can't let go  
Oh when someone hurts you oh so bad inside  
You can't deny it you can't stop crying  
So oh, oh, oh, if you start breathin' babe  
You won't believe it, it feels so much better, so much better baby  
Bag lady, let it go let it go let it go let it go oh  
Girl you don't need it  
Bet ya love could make it better  
Bet ya love can make it better  
Bet ya love can make it better, need someone to love you right  
Bet ya love can make it better  
Bet ya love I bet ya love I bet ya  
Bet ya love can make it better, baby baby  
Bet ya love can make it better  
Bet ya love can make it better, hey hey  
Bet ya love can make it better,  
I bet ya love I bet you love  
Bet ya love can make it better

I bet ya love I bet you love, oh oh oh (Bet ya love can make it better)  
Bet ya love can make it better (oh oh oh oh)  
Bet ya love can make it better  
Bag lady, let it go let it go let it go let it go oh  
Yeah you don't need it
