

Betrayer

Trivium

Betrayer
BetrayeI say, betrayer
Swear I've given you so much
Naysayer
I watched as you just lapped it up
Unwilling
Addicted to be without dignity
A cheater
You thrive on lecheryI don't know what I expected
Was our time even real?
Your callous heart never seemed affected
Does a liar even know how to feel?Unto you I proclaim "Creonte" shall be your name
I'll never be a victim for you
I'll never be your fool
I'll never be a victim
Betraye (Betraye)
Betraye (Betraye)Betraye
BetrayeYou're calculating
I know you know exactly what you're doing
Your selfishness your only cause
A fake
A farce
You had us all convinced
No guilt
No heart
No love
No conscience held
Unto you I proclaim
Creonte shall be your nameI'll never be a victim for you
I'll never be your fool
I'll never be a victim
Betraye (Betraye)
Betraye (Betraye)Time will not mend
All these mistakes have now brought forth the end for you, my friendTime will not end
All these mistakes have now brought forth the end for you, my friendI say, betrayerA fake
A farce
(You had us all convinced)
No guilt
No heart

No love
No conscience heldUnto you I proclaim "Creonte" shall be your nameI'll never be a victim for you
I'll never be your fool
I'll never be a victim
