

# Trap House

## Gucci Mane

In the trap house, in the trap house  
In the trap house, Gucci Mane, check it Choppa on the floor, pistol on the coach  
Hood rich so I never had a bank account  
Junkies goin' in, junkies goin' out  
Made a hundred thou' in my trap house Money kinda short but we can work it out  
Made a hundred thou' in my trap house  
Bricks goin' in, bricks goin' out  
Made a hundred thou' in my trap house I'm tired of sellin' bricks, I wanna go legit  
I wonder can I sell 11 mill' like 50 Cent  
'Cause platinum ain't enough, I got too many vices  
I love to smoke weed, love to shoot dices Say my life style extravagant  
I talk cash shit, bitches say I'm arrogant  
Well, goddamn Gucci cockin it  
But at the same time young hoes be jockin' slim Gucci ain't shit, bitch, I beg your pardon  
I'm independent but I'm ballin' like a major artist  
I stay high like giraffe, pussy  
In my trap house, smokin' rubber kushy Choppa on the floor, pistol on the coach  
Hood rich so I never had a bank account  
Junkies goin' in, junkies goin' out  
Made a hundred thou' in my trap house Money kinda short but we can work it out  
Made a hundred thou' in my trap house  
Bricks goin' in, bricks goin' out  
Made a hundred thou' in my trap house Jumped out the whip, everybody lookin'  
Big clouds of smoke but ain't nobody cookin'  
Girl, there go Gucci Mane  
I want his autograph 'cause I'm his biggest fan Yellow Humvee with the yellow feet  
Yellow diamonds the same color as cheddar cheese  
And I'm smokin' on that purple shit  
They call me temp service 'cause I'll work a bitch Money long like Shaq feet  
Runnin' dough like a sprinter at a track meet  
I heard he got that soft white  
Extended clips make them busters get they mind right Choppa on the floor, pistol on the coach  
Hood rich so I never had a bank account  
Junkies goin' in, junkies goin' out  
Made a hundred thou' in my trap house Money kinda short but we can work it out  
Made a hundred thou' in my trap house  
Bricks goin' in, bricks goin' out  
Made a hundred thou' in my trap house In my trap house watchin' Sports Center  
In the kitchen cookin' but I ain't cookin' dinner

Splash it with the water, whip it, make it harder  
17 for 'em the same number as Quincy Carter Say I'm workin' with wit a mill' or better  
Married to the game, me and [Incomprehensible] live together  
Street smart nigga, never listen to the teacher  
You can catch me in the bathroom smokin' reefer Prices low like Wal-Mart  
Bricks on I-9, get your shoppin' cart  
Knee deep in the dope game  
I'm not a farmer but I'm known to push them collard greens Choppa on the floor, pistol on the coach  
Hood rich so I never had a bank account  
Junkies goin' in, junkies goin' out  
Made a hundred thou' in my trap house Money kinda short but we can work it out  
Made a hundred thou' in my trap house  
Bricks goin' in, bricks goin' out  
Made a hundred thou' in my trap house
