

# Working Girl

## Train

[Verse 1]

She said I'm not somebody who likes the game  
So don't expect me to chase you babe  
If you ain't sweet like aspartame  
Let me get the door for ya  
If you want a back and forth thang  
Go and get yourself a boomerang  
If you don't like the bacon I bring  
Let me get the door for ya[Verse 2]

She said I can love you like you never been  
And keep you going just like ritalin  
But if you ain't a working man  
Let me get the door for ya[Chorus]  
I'm in love with a working girl  
I'm in love with a working girl

I'm in love...

She said if ya don't like it

I'm in love...

Let me get the door for ya  
I'm in love with a working girl  
I'm in love with a working girl

I'm in love...

She said if ya don't like it

I'm in love...

Let me get the door for ya[Verse 3]

I said I ain't like them other men  
Who think they matter cause they own a Benz  
They left you sick, I'm your medicine

Let me get the door for ya

And baby let me ease your mind

I know you been working over time

And if you wanna leave behind the 9 to 5

And see inside a real man

Let me get the door for ya[Chorus]

I'm in love with a working girl

I'm in love with a working girl

I'm in love...

She said if ya don't like it

I'm in love...

Let me get the door for ya  
I'm in love with a working girl  
I'm in love with a working girl  
I'm in love...  
She said if ya don't like it  
I'm in love...  
Let me get the door for ya[Bridge]  
There's the door if you don't like it  
There's the door if you don't like it  
There's the door if you don't like it  
If you don't like bet you're gonna like it[Chorus]  
I'm in love with a working girl  
I'm in love with a working girl  
I'm in love...  
I'm in love...  
I'm in love with a working girl  
I'm in love with a working girl  
I'm in love...  
She said if ya don't like it  
I'm in love...  
Let me get the door for ya  
I'm in love with a working girl  
I'm in love with a working girl  
I'm in love...  
She said if ya don't like it  
I'm in love...  
Let me get the door for ya
