Make It Up To You

J.C. Lodge

Ooh, oh, yeah
Ooh, yeahGotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up)Gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)I thought I could make it on my own
Till you left and I felt myself alone
Hiding heart my heart behind my pride
To the world I seemed fine but I'm hurt insideHow can I go on this way?
When I want your love back againI've gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)Gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)you'll never know a good thing till it?s gone
?Cause the love I had is the love I want
So I've decided whatever it takes
You've gotta be my lover once againBaby, I need all your love
Without your love I just can't carry onI've gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)Gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)you'll never know a good thing till it?s gone
?Cause the love I had is the love I want
So I've decided, no matter what it takes
You've gotta be my lover once againBaby, I need all your love
So much that words can't explainI've gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)Gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)Wanna make it up
(Make it up, make it up)

To you, my love
(Make it up, make it up to you)Gotta make it up
(Make it up, make it up)
To you, my love
(Make it up, make it up to you)
