

# Winter Wonderland

Johnny Mathis

Sleigh bells ring, are you listening,  
In the lane, snow is glistening  
A beautiful sight,  
We're happy tonight,  
Walking in a winter wonderland. Gone away is the bluebird,  
Here to stay is a new bird  
He sings a love song,  
As we go along,  
Walking in a winter wonderland. In the meadow we can build a snowman,  
Then pretend that he is Parson Brown  
He'll say, "Are you married?"  
We'll say, "No man"  
But you can do the job when you're in town. Later on, we'll conspire,  
As we dream by the fire  
To face unafraid,  
The plans that we've made,  
Walking in a winter wonderland. Over the ground lies a mantle of white  
A heaven of diamonds shine down through the night  
Two hearts are thrillin'  
In spite of the chill in the weather Love knows no season, love knows no clime  
Romance can blossom any old time  
Here in the open  
We're walkin' and hopin' together  
Together, together, together Sleigh bells ring, are you listening,  
In the lane, snow is glistening  
A beautiful sight,  
We're happy tonight,  
Walking in a winter wonderland. Gone away is the bluebird,  
Here to stay is a new bird  
He's singing a love song,  
As we go along,  
Walking in a winter wonderland. In the meadow we can build a snowman,  
And pretend that he's a circus clown  
We'll have lots of fun with mister snowman,  
Until the other kiddies knock him down. When it snows, ain't it thrilling,  
Though your nose gets a chilling  
We'll frolic and play, the Eskimo way,  
Walking in a winter wonderland. Walking in a winter wonderland,  
Winter wonder wonder wonderland,

Winter winter wonder wonderland.
