

# Man the Ramparts

## Botch

We'll man the ramparts  
With arrows ready  
With our flags up  
We are the Romans  
Nero

We'll man the ramparts  
With arrows ready  
With our flags up  
We are the Romans  
Nero

We'll man the ramparts  
With arrows ready  
With our flags up  
We are the Romans
