

# La Passion (album Version)

Gigi D'agostino

I gotta have the key  
To open your heart to me  
Now, I can set you free  
Be what you wanna be  
Don't wanna live alone  
I gotta be so strong  
Don't wanna be alone  
Baby, I love you so  
And never let you go  
I'm looking for your face  
Waiting for warm embrace  
I'm living in the space  
I'm following your trace  
Tell me, what's going on  
Tell me, what's going on  
I'm gonna make you, Queen  
Girl, have you ever seen?  
Ooh baby, come to me  
Baby, just come to me  
Don't brake my heart tonight  
Swinging my soul desire  
Baby, just come to me  
Be what you wanna be  
Using your fantasy  
I need your soul to see  
Baby, just come to me  
Now, we can do it right  
Holding each other tight  
Now, we can make it right  
I promise you delight  
Waiting until day light  
I gotta have the key  
Open your heart to me  
Now, I can set you free  
Be what you wanna be  
Don't wanna live alone  
I gotta be so strong  
Don't wanna be alone  
Baby, I love you so

And never let you go  
I'm looking for your face  
Waiting for warm embrace  
I'm living in the space  
I'm following your trace  
Tell me, what's going on  
Tell me, what's going on  
I'm gonna make you Queen  
Girl, have you ever seen?  
Ooh baby, come to me  
Baby, just come to me  
Don't brake my heart tonight  
Swinging my soul desire  
Baby, just come to me  
Be what you wanna be  
Using your fantasy  
I need your soul to see  
Baby, just come to me  
Now, we can do it right  
Holding each other tight  
Now, we can make it right  
I promise you delight  
Waiting until day light  
I gotta have the key  
Open your heart to me  
Now, I can set you free  
Be what you wanna be  
Don't wanna live alone  
I gotta be so strong  
Don't wanna be alone  
Baby, I love you so  
And never let you go  
I'm looking for your face  
Waiting for warm embrace  
I'm living in the space  
I'm following your trace  
Tell me, what's going on  
Tell me, what's going on  
I'm gonna make you Queen  
Girl, have you ever seen?  
Ooh baby, come to me  
Baby, just come to me  
Don't brake my heart tonight  
Swinging my soul desire  
Baby, just come to me

Be what you wanna be  
Using your fantasy  
I need your soul to see

Baby, just come to me  
I never think you wanna, we won't belong  
I can see your face too strong  
I sing you wanna think, you'll be wide on mind  
Don't you ever satisfy my soul in any  
By my side, I'm not laughing  
I'm not crying, don't you go  
Baby, I love you so  
And never let you go  
I'm looking for your face  
Waiting for warm embrace  
I'm living in the space  
I'm following your trace  
Tell me, what's going on  
Tell me, what's going on  
I'm gonna make you Queen  
Girl, have you ever seen?  
Ooh baby, come to me  
Baby, just come to me  
Don't brake my heart tonight  
Swinging my soul desire  
Baby, just come to me  
Be what you wanna be  
Using your fantasy  
I need your soul to see  
Baby, just come to me  
I never think you wanna, we won't belong  
I can see your face too strong  
I sing you wanna think, you'll be wide on mind  
Don't you ever satisfy my soul in any  
By my side, I'm not laughing  
I'm not crying, don't you go  
Baby, I love you so  
And never let you go  
I'm looking for your face  
Waiting for warm embrace  
I'm living in the space  
I'm following your trace  
Tell me, what's going on  
Tell me, what's going on  
I'm gonna make you Queen

Girl, have you ever seen?  
Ooh baby, come to me  
Baby, just come to me  
Don't brake my heart tonight  
Swinging my soul desire  
Baby, just come to me  
Be what you wanna be  
Using your fantasy  
I need your soul to see  
Baby, just come to me  
I never think you wanna, we won't belong  
I can see your face too strong  
I sing you wanna think, you'll be wide on mind  
Don't you ever satisfy my soul in any  
By my side, I'm not laughing  
I'm not crying, don't you go  
Baby, I love you so  
And never let you go  
I'm looking for your face  
Waiting for warm embrace  
I'm living in the space  
I'm following your trace  
Tell me, what's going on  
Tell me, what's going on  
I'm gonna make you Queen  
Girl, have you ever seen?  
Ooh baby, come to me, to me, to me  
I never think you wanna, we won't belong  
I can see your face too strong  
I sing you wanna think, you'll be wide on mind  
Don't you ever satisfy my soul in any  
By my side, I'm not laughing  
I'm not crying, don't you go  
Baby, I love you so  
And never let you go  
I'm looking for your face  
Waiting for warm embrace  
I'm living in the space  
I'm following your trace  
Tell me, what's going on  
Tell me, what's going on  
I'm gonna make you Queen  
Girl, have you ever seen?  
Ooh baby, come to me
